(Through the President).

Sir,

Subject - Tarring Kantharaja Urs road from the junction of Prince of Wales Road towards the West, right up to K R Bouleward road.

Adverting to G.O.No.L. 10191-3 C M 10-50-11 dated 5-1-1951, sanctioning the estimate of Rs 6980/- approved by the Council - for Rs. 6365/- as corrected by the Deputy Chief Engineer for the above Work. I write to state that of the several items detailed in the estimate sanctioned by the council, the rate of Rs 13/- approved for the collection of granite chips or baby jelly is the local schedule rate for the item accepted by the Council for the current year. This has been reduced by the Deputy Chief Engineer As it is not possible to have the work executed at this rate and as the above scheduled rate of Rs 13/- per Cub.Yd has been duly sanctioned by the Council while approving the schedule of rates for the public works in this Municipality, the Council have at their meeting held on 31st January 1951 resolved to bring this fact to the kind notice of Government and request that the estimate approved and forwarded by the Council might be sanctioned allowing the scheduled rate of Rs. 13/- per Cub Yd for the collection of granite chips etc., In enclosing herewith a copy of the resolution of the Council in this behalf, I request you kindly to obtain orders of Government sanctioning the estimate for the full amount of the estimate viz., Ps. 6980/- as approved by the Council. The estimate in question is also enclosed herewith for reference and return.

Yours faithfully,

Municipal Commissioner.
